

Sebo BS360

DESCRIPTION

Built for professionals.

The BS 360 offers premium performance and quality combined with efficiency and economy.

Designed to be used for extended periods in comfort, the twin motor BS 360 is easy to maintain, with features such as replaceable brush strips and convenient unblocking access points. With a 36 cm cleaning head the BS 360 can clean a wide range of facilities. Able to clean flat to the floor, it can reach under furniture and its L-shaped head lets it clean under radiators.

The BS 360 is built to last using the best materials and design.

SEBO BS range benefits:

- Effective and trouble free operation
