

Sebo BS460

DESCRIPTION

Built for professionals.

The BS 460 offers premium performance and quality combined with efficiency and economy.

Designed to be used for extended periods in comfort, the twin motor BS 460 is easy to maintain, with features such as replaceable brush strips and convenient unblocking access points. With a 46 cm cleaning head the BS 460 can clean large areas quickly and efficiently. Able to clean flat to the floor, it can reach under furniture and its L-shaped head lets it clean under radiators.

The BS 460 is built to last using the best materials and design.
